The drawing illustrates a road intersection and junction in Riga, Latvia. The main road is Valmieras iela, which runs horizontally across the top. It intersects with Dzelzceļa iela, which runs horizontally across the middle. To the left, Birzes iela runs vertically, and to the right, J. Poruka iela and E. Treimaņa-Zvārguļa iela run vertically. The drawing includes various traffic signs, road markings, and technical specifications for the intersection and junction.

Key Features and Signs:

- Valmieras iela:**
 - Top left: Roundabout with signs for "aps.es.703" (P30 VECPIEBALGA) and "uzs.703" (P30 VECPIEBALGA).
 - Top right: Signs for "es.206;409 uzs.733" and "es.121;803;306;326 aps.es.306".
 - Right side: Signs for "729" and "729(2)".
- Dzelzceļa iela:**
 - Center: Large red circular sign with a white horizontal bar, indicating a level crossing without barriers.
 - Left side: Signs for "118 301" (warning of level crossing) and "912-6gb.ar lukt." (technical specification).
 - Right side: Signs for "730" (blue arrow pointing up) and "731" (blue arrow pointing right).
- Birzes iela:**
 - Left side: Signs for "301 801(200m)" and "301 801(70m)" (distance markers).
 - Right side: Signs for "729" and "729(2)".
- J. Poruka iela:**
 - Left side: Signs for "118 301" (warning of level crossing) and "es.326" (technical specification).
 - Right side: Signs for "pag.st. 402 731" (blue arrow pointing right) and "729(2)".
- E. Treimaņa-Zvārguļa iela:**
 - Left side: Signs for "pag.st. 403 733" (blue arrow pointing right) and "729".
 - Right side: Signs for "730" (blue arrow pointing up) and "729".

Technical Specifications and Markings:

- Ø 100 uzs. 730:** Technical specification for a 100m wide section of the road.
- Ø 200 uzs. 730:** Technical specification for a 200m wide section of the road.
- 93+456,55:** Stationing mark on the left side of the road.
- 93+968:** Stationing mark on the right side of the road.
- 729(2):** Technical specification for the road width.
- 730, 731, 732:** Road markings indicating lane widths and directions.
